This is an all-in-one "one-and-done" approach to the product, which saves time and money. We've seen it work for patients who might not have considered using cannabis before. The viability of these products is supported by a growing number of states legalizing medical marijuana and the FDA's recent approval of a cannabis-based prescription medication called Sativex to treat Multiple Sclerosis (MS). The idea of medical-grade cannabis is to have all the same characteristics as an FDA-approved medicine, but be bought at a fraction of the cost. We offer four single-dose treatment packs that deliver the following at a price of just \$9.99: Sativex: A prescription medication used to treat the symptoms of MS Can Extract: Made from the Colorado Fire Cured Plant known as the CASH CULTURE Plant 3 Dose: Made from a Sativa/Hybrid version of the CASH CULTURE Plant. 6 Dose: Made from a Sativa/Hybrid version of the CASH CULTURE Plant.
